

REMARKS/ARGUMENT

The claims of the application have been amended to comply with the Final Rejection. Accordingly, claims 2, 3, 4 and 6 to 9 have been canceled. Claim 4, objected to as depending from a rejected claim, has been amended and presented in independent form as claim 1, incorporating all the limitations of the claim(s) from which claim 4 depended. Claim 5 has been made dependent on claim 1. Claims 10 to 17 were indicated as allowable. The language and grammar of the claims has been revised, without any change to the substance of the claim, so that the claims read more appropriately. Favorable reconsideration of this amendment is earnestly solicited and the application advanced to issue.

In light of the foregoing remarks, this application should be in condition for allowance, and early passage of this case to issue is respectfully requested. If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

It is respectfully requested that, if necessary to effect a timely response, this paper be considered as a Petition for an Extension of Time, time sufficient, to effect a timely response, and shortages in this or other fees, be charged, or any overpayment in fees be credited, to the Deposit Account of the undersigned, Account No. 500601 (Docket no. 7620-X05-004)

Respectfully submitted,
